Notes

1. This table and the elements within it are based on informal recommendations made by DEFRA at a meeting with Ken Leggett on 13 January 2004.
2. Page numbers refer to the CSG *Information and how to apply* booklet for 2004 applications
3. The CSG guidelines are unclear as to whether some payments are capital or revenue. The indications in this table are assumed and should be clarified with DEFRA prior to any final cost calculations being made.
